Paddlers for Life

18 July, 2011

Dear Paddlers

I just wanted to write to thank you for the time on Thursday 14 July. It was really good to meet you all and take part in your fantastic Inspire mark project.

There is no better way to understand a project than to really get involved and try it out. I'm so grateful to you all for inviting myself and Andy to join in with you and on such a stunningly beautiful day in the Lake District. It was one of the highlights of my entire day.

I hope the club continues for a long time to come, changing people's lives and providing an energetic and fun activity.

Thank you again for making me feel so welcome and for some excellent fun on the water.

It was a pleasure meeting you all.

Yours sincerely
